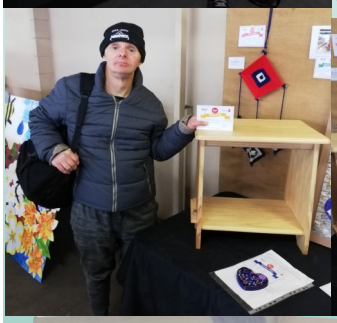
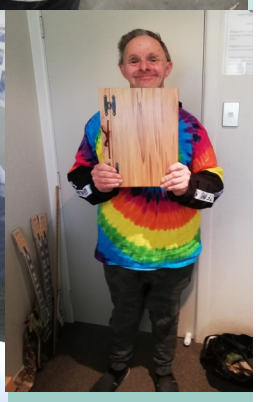
Let's explore at the A & P Show 2019…….

Well earned awards at the

A & P, woodwork category for coming First and Third goes to… Blair and Barry!





One super proud Barry, showing us all, his masterpiece.

Despite the wet weather for show day, it did not dampen our day. By the look on everyone's face, whilst armed with themed balloons, enjoyment was the key word for the day!

Let's pencil in the diary for next years show, we can't wait!

Getting our dancing feet on, to celebrate Diwali.

Samuel is happy to show us all his Bhangra moves!

Continuing with the theme of lights, Lewey and Mark are drawn in by the light displays held at the Art Gallery Exhibition, Hastings… I think dark shades are needed for the last light display!
