Turning
Point

Here's Barry on his very first horse ride. He just loved it. Clearly the horse (and the billy goat by the looks

of it) loved him too!

Alisa's been taking part in what's called an

"Impact Story" with Bronwyn. Here's a snap-shot of Alisa at her job at Duart House. Check out the yummy scones!

Aren't these guys below just the cutest??? Jane, Karen, Susan and Danielle made these little cuties out of icing.

The volunteers got a little thank-you gift when they showed up for their meeting...

(card says: "Donut know what we would do without you... THANKS!!")

I think everyone would agree how valuable our volunteers are to us all.

DRC was one of the finalists in the Tamatea Z Service Station's "Good in the Hood" community funding initiative they run each year.

We were up against some big guns: Child Cancer; Heart Foundation and Salvation Army. We received lots of votes and came 3rd in the running earning us \$829!!!

Photo is Racheal and Shona from Z with Maui and Ali.

A BIG "Thank You" to the TP guys who went to Z in the month of May to 'encourage' shoppers to cast their vote in our favour.

Well done Maui, William and Peter!! You were polite gentlemen and we are very proud of you for doing this.

Big thank you to Roy for sorting out the courtyard area!

- Lots more room for the cars
- Lots more room to hang the washing out
- Deeper planter boxes
- Much appreciated

Beth and Graeme enjoy a lesson in rap when they went to the Sounds in the Square event

So,...is Malcolm trying out a new hair-do to see if he would suit dreadlocks...?

Nice bucket list by the way Malcolm!

Geoffrey gives Karen a big hug

Not only did they rap, but they also did some break dancing too! You go guys!
