# ACC Living My Life

*Where I live, what I do, where I go and who with*

## About Us:

DRC living life connected

**We are a Charitable Trust supporting and equipping people to reach their full potential.**

We work to promote opportunities and facilities for the independence, mobility, and recreation of people with disabilities as well as providing occupational, social and personal opportunities and facilities.

We also distribute information and provide assistance to our community and overall foster, encourage and support people on ACC.

## ACC Services under Living my Life:

### Pathway Map

Together we can identify how you'd like your future to look and create a plan to make it happen.

### Independent Facilitation

What skills and knowledge do you need to make your vision for yourself a reality?

We can help you get where you want to be.

### Tailored Supports

Where do you want to live? What would you like to do?  
Where do you want to go? Who do you want to be in your life?

We'll find support solutions based on what a good life looks like for you.
